

# Aesthetics Awards

12 March 2022 | London

## Best New Clinic, UK & Ireland

### Criteria

The award for Best New Clinic is open to any clinic in the UK and Ireland that was established after 1 January 2020. If you enter Best New Clinic you will not be eligible for entry in any of the regional clinic categories. The Best New Clinic will be judged on initiatives designed to promote growth, evidence of commitment to customer service, patient care and patient safety, as well as good feedback from patients. Aesthetics Media reserves the right to move your clinic entry to a regional category if deemed appropriate.

### Entry instructions

You are encouraged to keep your entry concise and clear; bullet points and the use of formatting options such as bold, underlines and italics are encouraged to ensure your entry is easy to digest for judges. Please note that formatting cannot be copied and pasted from Word documents, so you should only add these when submitting your entry on the website. A strict character limit of 1,700 (including spaces) is enforced for each question and you must not exceed this; however, your entry does not have to meet it. References are included in the character count, although you may supply a reference list as part of your supplementary materials if it exceeds the character count. There will be no voting process and the winner will be decided by the judging panel.

- Supplementary materials: you may add relevant supplementary materials to your entry such as: videos, images, references, testimonials, statistics etc. They should be relevant to the entry and mentioned in the relevant question it relates to. Supplementary materials which provide extended answers to the questions will be discounted.
- Important: please check your entry carefully for accuracy, grammar and spelling as this information may appear in the Aesthetics journal and on the Aesthetics website, as well as being considered as part of the judging process. Judges will mark down entries that do not answer all questions.
- Amendments and late entries: There will be no opportunity to amend this once you have submitted your application online unless you pay a £100 +VAT administration fee and this information is received before shortlisting has begun. Entries submitted after the closing date will also be subject to a £100 fee – email [contact@aestheticsjournal.com](mailto:contact@aestheticsjournal.com) for more information.
