

Aesthetics Awards

12 March 2022 | London

Best Regional Clinics

Criteria

Best Clinic categories are awarded regionally. The award is only open to clinics that were established before 1 January 2020. Those that were established after should enter the Award for Best New Clinic UK & Ireland and will be judged on commitment to excellence in customer service, patient care and patient safety, as well as evidence of good feedback from patients. Aesthetics Media reserves the right to move your clinic entry to another regional or new clinic category if deemed appropriate. You will be notified of this change. If your clinic is part of a clinic group, only one clinic within the group may be entered and not the entire group.

Entry instructions

You are encouraged to keep your entry concise and clear; bullet points and the use of formatting options such as bold, underlines and italics are encouraged to ensure your entry is easy to digest for judges. Please note that formatting cannot be copied and pasted from Word documents, so you should only add these when submitting your entry on the website. A strict character limit of 1,700 (including spaces) is enforced for each question and you must not exceed this; however, your entry does not have to meet it. References are included in the character count, although you may supply a reference list as part of your supplementary materials if it exceeds the character count. There will be no voting process and the winner will be decided by the judging panel.

- Supplementary materials: you may add relevant supplementary materials to your entry such as: videos, images, references, testimonials, statistics etc. They should be relevant to the entry and mentioned in the relevant question it relates to. Supplementary materials which provide extended answers to the questions will be discounted.
- Important: please check your entry carefully for accuracy, grammar and spelling as this information may appear in the Aesthetics journal and on the Aesthetics website, as well as being considered as part of the judging process. Judges will mark down entries that do not answer all questions.
- Amendments and late entries: There will be no opportunity to amend this once you have submitted your application online unless you pay a £100 +VAT administration fee and this information is received before shortlisting has begun. Entries submitted after the closing date will also be subject to a £100 fee – email contact@aestheticsjournal.com for more information.
